FACULTY  
DISTINCTION

CELEBRATING THE AWARDS, HONORS, AND RECOGNITION  
OF THE FACULTY OF ARTS & SCIENCES

# INTRODUCTION

Every fall, we have the pleasure of gathering the Faculty of the Arts & Sciences to celebrate the extraordinary academic honors they have recently received. We take this opportunity to acknowledge the incredible talent, discipline, and passion that these accolades represent.

This year, the number and variety of the honors won is especially remarkable. Our junior colleagues have been particularly well recognized, and it is gratifying to see the number of awards that are shared among multiple faculty members across disciplines, both within and outside the Arts & Sciences.

For more than 250 years, Columbia has been a magnet for the best students and scholars at all stages of their careers, and the reputation that draws them here is the reputation of our faculty. We take this opportunity to not only congratulate them, but also to thank them for having made 2017 such an exceptional year for Arts & Sciences and for the University.
