FACULTY DISTINCTION

CELEBRATING THE AWARDS, HONORS, AND
RECOGNITION OF THE FACULTY OF ARTS & SCIENCES

INTRODUCTION

The Faculty of Arts & Sciences is the intellectual heart of Columbia University. Our pursuit of fundamental knowledge and understanding spans the arts, humanities, natural sciences, and social sciences. The excellence of our faculty is recognized each year with numerous awards and honors.

As is tradition, the Executive Committee hosts this event annually to thank the many remarkable faculty who bring such pride and honor to the Arts and Sciences and to Columbia. It is truly extraordinary to read about the scope of your accomplishments, which reinforces our commitment to support and empower the faculty to continue to work at their highest level.
