Experience

Research and Information Systems for Developing Countries <i>Research Intern</i> <ul style="list-style-type: none">RIS is an autonomous think-tank under the Ministry of External Affairs, Government of India. It specializes in policy research on international economic issues and development cooperation.Published a paper on migration issues in South Asia with special emphasis on the impact of remittance flow on sending and receiving regions. Used both government resources as well as contacts with the IOM (International Organization for Migration) to collect data.Participated in conferences and working groups on "Demonetization", "Future of Aadhar" and "India's Ocean Economy".Mentor: Dr. Sabyasachi SahaSkills Used: Secondary Research, R	New Delhi, DL, IND December 2016-January 2017
University of Delhi <i>Researcher, Innovation Project</i> <ul style="list-style-type: none">The University of Delhi's Innovation Desk provides funding and other forms of support for sanctioned research projects.Worked in a joint project between the Economics and the Biochemistry Department to understand the relationship between socio-economic status and health indicators of migrant labor in the National Capital Region. Primary data from migrant labors in slums across Delhi-NCR was collected and regressed against medical data collected by the Biochemistry Department.A report detailing the results and interpretations was sent to the Innovation Desk of the University of Delhi.Mentor: Dr. Shailaja Thakur, Dr. Krishna KumarKey Skills Used: Primary Research, R, GRETL	New Delhi, DL, IND May 2016 - March 2017
SEWA-Sri Venkateswara College. <i>Researcher and Core Member</i> <ul style="list-style-type: none">Self Employed Women's Association is a trade union of poor, self-employed women workers. Its goal is to enhance the socio-economic wellbeing of its members.Under a joint venture between SEWA and Sri Venkateswara College, collected primary data on socio-economic conditions of self-employed women in weekly markets across Delhi-NCR and compared it to those working in a women-only market set up by SEWA. The goal was to understand the impact organized unions have on a woman's economic condition and self-worth.Presented the results of the study, along with suggestions for improving the market, to senior members of SEWA.Mentor: Dr. Shailaja ThakurKey Skills Used: Primary Research, R, GRETL	New Delhi, DL, IND October 2016 - April 2017
