

# GREEN GROWTH POLICIES IN ACTION: A Case from Africa

A Talk with

**Prof. Mulu Gebreyohannes**

Economics Department, Barnard College

**Wednesday, 11/15 | 4:10-5:40 PM**

Altschul Auditorium (Altschul 202)

This presentation will deal with the controversy of whether a green growth path is a necessity or viable option to developing countries. It presents cases of policy actions, success stories and challenges based on various research Prof. Gebreyohannes has done on Ethiopia.
