

## **The Consortium for History of Science, Technology and Medicine Research and Writing Fellowships**

The Consortium for History of Science, Technology and Medicine invites applications for fellowships in the history of science, technology and medicine, broadly construed. Apply for:

- \*Research Fellowships (award varies)
- \*Dissertation Fellowships (\$25,000)
- \*NEH Postdoctoral Fellowship (up to \$37,800)
- \*Fellowships in Residence (external funding)

Access the application here: <https://www.chstm.org/fellowships/chstm-fellowships>

### Collections:

The Consortium promotes public and scholarly understanding of the history of science, technology and medicine through its fellowship and other programs. The Consortium offers rich opportunities for research. Taken together, its collections of rare books, manuscripts and artifacts are unparalleled in historical depth as well as breadth. Access a complete list here:

<https://www.chstm.org/about/member-institutions>

### Resources and Community:

In addition to providing research support, the Consortium also provides a vibrant, challenging and collegial community. Fellows participate in public and scholarly events, as well as informal reading and writing groups (more here: <https://www.chstm.org/groups>), held at the Consortium's offices in downtown Philadelphia. Please see <https://www.chstm.org/fellowships/current-fellows> for a list of current and past fellows.

### Deadline:

Applications for 2018-2019 must be submitted online by **December 11, 2017**.

### Contact

We look forward to receiving your application. Please email us if you have questions: [info@chstm.org](mailto:info@chstm.org).
