

# Archaeology at **HALMYRIS**

**A four week volunteer program  
on a Roman fort  
in the Danube Delta  
Romania**

**Now recruiting volunteers  
for the 2019 season 8 July to 3 August**

**Cost 1300 USD for full room/board and fees**

**Halmyris, occupied from the 1st to the 7th centuries CE, lies on the borders of the Roman Empire in a region which faced repeated attacks in Antiquity. The fort today reveals a wealth of material culture and a fascinating archaeological record with multiple phases of destruction and rebuilding.**

Join us for 2019 and help excavate one of the best preserved forts on the Lower Danube frontier!
