RESEARCH EXPERIENCES

Oil Price and Exchange Rate Co-movement

West Lafayette, IN

Honor Class, Honor thesis course, supervised by Prof. Ralph Siebert

Jan,2016 - May,2016

- Used econometric linear model to illustrate a theoretical relation between oil price and exchange rate of USD/RUB
- Empirically tested the model by both simple linear regression and multiple linear regression by adding up controls of FFD (federal funds reserve), time series and lag of exchange rate
- Applied Stata and Excel to amend the asymmetric data from 2011 to 2015 and tested the robustness for correlation.
