

Doughnut Economics and the Future of Green Cities

April 8th, 2021 | 1 – 2 PM EST | Zoom

Join us in conversation with Carlota Sanz, co-founder of the Doughnut Economics Action Lab and leader in the development of DEAL's emergent strategy to turn the ideas of Doughnut Economics into transformative policies.

The Doughnut envisions a world that meets the needs of all people within the means of the living planet. It's a world that is regenerative, rather than degenerative. And it is far more distributive of value and opportunity than today's economy.
