DEPARTMENT OF ECONOMICS

M.A. Fall 2021 Cohort Resume Book

Resume Book Columbia University
Master of Economics (MAE)
Publication Date: 06/07/2021

Dear Recruiters,

I take great pride in presenting to you our 2021 cohort. I am sure that you will find many top-quality candidates among them.

Columbia University established the Economics master's program in 2015. For this program, we receive hundreds of applications from highly qualified candidates, are only able to admit a small fraction of the applicants. As a result, we have the privilege to work with outstanding students who excel in several different dimensions.

We provide state-of-the-art education for our students, which can make meaningful and sustainable difference in both their academic or professional lives.

We would appreciate hearing from you about your personnel requirements. Please feel free to contact me if you need detailed or specific information about our program or any of our students.

For information about the MAE program, please visit our website at,

<https://econ.columbia.edu/masters/>

Sincerely yours,

Ceyhun Elgin
Director of Master's Program

The 17th Challenge Cup Innovation Paper Competition, the First Prize	03/2018-04/2018
---Research on the <i>Influence of Foreign Trade and Industrial Agglomeration on Regional Income Distribution in China</i>	
<ul style="list-style-type: none">Utilized data of China's provinces from 2000 to 2016, performed experimental description for trends of income distribution among the eastern, central and western regions, and analyzed the influential factors behind the trends through taking national policies and economic differentiation into accounts;Conducted Time-Series Regression on national and provincial panel data via SPSS, discovered the fact that international trade exacerbated the inter-regional and intra-regional income gaps, and put forward policy advice based on the empirical results.	
College Student Innovation and Entrepreneurship Project, Team Leader	05/2016-05/2018
---Research on the <i>Traffic Problem of Shared Bicycles and its Optimal Solution</i>	
<ul style="list-style-type: none">Compared products and financing situations of Mobike and ofo, two giants of the industry during this project, studied the operational performance of major shared bicycles' providers and carried out trend forecast;Studied the traffic problems brought by shared bicycles, took Dongcheng District in Beijing for an example, selected potential locations to park bicycles, filtered selections with the Hybrid Simulated Annealing Algorithm, and assisted in evaluating the overall parking arrangement with fuzzy hierarchy analysis.	

EXTRACURRICULAR ACTIVITIES

Minister of the Academic Department of the Securities Research Association	09/2017-06/2018
Belt and Road Summer Social Practice (Team Leader), the first prize	05/2017-10/2017

AWARDS

National Mathematical Competition, the third prize	10/2017
Central University of Finance & Economics Mathematical Contest, the first prize	07/2017

SKILLS & HOBBIES

Computer skills: Microsoft Office, Wind, Access, SPSS, STATA
Hobbies: traveling, movies, playing badminton, jogging, playing the piano

academics

Master of Arts in Economics | Columbia University | Expected: December 2021

- Relevant Coursework: Economic Policy; Economics of Higher Education; Econometrics, Macro, and Micro sequences

Bachelor of Science in Economics | Minor in Media Studies | University of Oregon, Clark Honors College | June 2017

- Cumulative GPA: 3.87 | Departmental GPA: 4.05

awards & honors

Phi Beta Kappa Honors Society, Inducted Spring 2017 ■ Cum Laude Latin Honors, University of Oregon ■ Economics Departmental Honors, University of Oregon ■ "Best Individual Honors Thesis," University of Oregon Economics Department

skills & certifications

STATA, Data analysis ■ Microsoft Office Suite ■ Adobe Photoshop, InDesign, and Lightroom ■ PSIA Cert 1 Ski Instructor

research experience

"Competition Between Microfinance Institutions and the Formal Banking Sector" | University of Oregon Honors Thesis | Completed June 2017

- Studied the response of formal and informal banking sector lending behavior to microfinance institution (MFI) branch entry to examine competition consequences.
- Used STATA to run difference in difference regressions to determine changes in lending behavior post MFI branch entry.

work experience

Master of Economics Student Association Academic and Research Chair | Columbia University | Feb 2021 – Dec 2021

- Develop and organize study opportunities for members of the 2021 Masters of Economics cohort.
- Keep condensed notes and other study materials and disseminate them as requested by students.
- Relay thoughts concerning the program to professors and administration, consistently advocating for the cohort's interests.
- Inform students about and be the point person for questions concerning research opportunities.

Teacher's Assistant, Intermediate Macroeconomics | Columbia University | May 2021 – Aug 2021

- Hold weekly office hours and recitations that better student understanding via review and practice problems.
- Grade assignments and exams, keep track of student participation via zoom statistics, and respond regularly to questions.
- Curate and monitor technology that allows for student collaboration in the 100-person zoom class.

Alpine Ski Instructor | Beaver Creek Ski School | Dec 2019 – March 2020, Jan 2019 – April 2019

- Tailored drills and games, checked for understanding, monitored physical and emotional well-being, and emphasized how to self-monitor form, energy, and situational awareness.

Upper School Instructor and Technology Coordinator | The Bush School | May 2019, Aug 2018 – Jan 2019

- Taught upper school students photo editing and design skills, emphasizing collaboration, autonomy, and time management.
- Implemented new hardware and software where needed and monitored community workspaces and tech rental equipment.
- Collaborated with school-wide faculty and staff to facilitate inter-divisional technological innovation and fluency.

Test Prep Tutor | Mighty Oak Test Prep | July 2017 – Jan 2018

- Personalized lessons on critical reasoning, problem solving, test taking strategies, and time management for college admissions tests by asking questions that lent information concerning goals, learning style, and stressors.
- Was entrusted with management, scheduling, and monitoring student affairs when employers were out of town.

Director, Clark Honors Introductory Program (CHIP) | University of Oregon | Feb 2016 – April 2017

- Hired, trained, and managed student CHIP teachers, training them in pedagogy, mentorship, syllabus writing, and budgeting.
- Worked with my co-director in program enhancement, administrative tasks, budgeting, and event planning, including coordinating and running New Student Orientation and Week of Welcome for the Honors College.

Tutor, Student Athlete Association | University of Oregon | Sept 2015 – Sept 2016

- Tutored student athletes in economics and math, holding group study sessions prior to exams, guiding students in curating personalized study guides, and helping them gain organizational and time management skills.
- Regularly communicated feedback on daily tasks and general student performance with athletic coordinators and staff.

Teacher, "Behave!" ('15) and "Ethics" ('14), Clark Honors Introductory Program | University of Oregon | Fall 2015, 2014

- Taught a class on behavioral economics and co-taught a class on ethics to freshmen in the honors college.
- Managed the curriculum, syllabus, and budget for the class while acting as a mentor and constant resource to the students.

Can Taşal

ct2996@columbia.edu

EDUCATION

COLUMBIA UNIVERSITY

Master of Arts (M.A) in Economics

Relevant Coursework: Macroeconomic Analysis, Microeconomic Analysis, Econometrics, International Economics

New York City, United States
2020-Present

KOÇ UNIVERSITY

Bachelor of Science in Industrial Engineering

Bachelor of Arts in Economics

Istanbul, Turkey
2015-2020

- Magna Cum Laude
- Specialization Track: Financial Engineering
- GPA: 3.68/4.0. Ranked in the top 10% of both majors
- Vehbi Koç Scholars : 4 semesters (for SPAs above 3.50)
- Dean's Honor Roll: 6 semesters (for SPAs above 3.00)

Relevant Coursework: Financial Engineering, Money and Banking, Engineering Economics, International Finance, Stochastic Models, Modeling and Simulation, Introduction to Financial Management, Financial Markets and Institutions, International Trade

Major Projects:

- Collected data and analyzed a polypropylene bag production facility in southeastern Turkey. Simulated production system using ARENA and develop recommendations to optimize production
- Constructed a database for incoming and outgoing students at Koç University utilizing multiples attributes via conceptual and logical design and SQL

LONDON SCHOOL OF ECONOMICS AND POLITICAL SCIENCE

EC 102: Introductory Macroeconomics course

London, United Kingdom
Summer 2016

EXPERIENCE

MERIDIAN TOURS

Founded in 1993, Meridian Tours is a leading travel agency that serves +40,000 people annually

Finance Intern

Istanbul, Turkey
Summer 2019-Jan 2020
Summer 2016

- Applied insights from university courses and internships to propose strategic and operational improvements to the Finance Department, including hedging strategies against Turkish Lira
- Successfully proposed business case for retaining external financial advisory to oversee transformation process
- Worked with company leadership to retain external financial advisory

DELOITTE

Auditing Intern

Istanbul, Turkey
Summer 2018

- Joined audit team for semi-annual financial auditing of Şekerbank
- Contributed to preparation and publication of unconsolidated and consolidated financial reports
- Researched and analyzed bank's clients loan performance via Şekerbank database and archives
- Verified bank's financial data via Microsoft Excel and Deloitte algorithms

YAPI KREDİ BANK

CRM Analytics Intern for Corporate Marketing

Istanbul, Turkey
Summer 2017

- Developed familiarity with +50 financial instruments and products offered by bank to clients
- Conducted sector and income-level based analyses of product preferences of corporate customers
- Presented the outcomes of product usage analysis to the Corporate Marketing Management to enhance marketing Strategies aimed at corporate clients

KOÇ UNIVERSITY

Work/Study Program with Professor Selva Demiralp

Istanbul, Turkey
Sept-Dec 2017

- Assisted Professor Demiralp with her research regarding the influence of political leaders on central banks
- Extracted data from Bloomberg database related to major news events and political speeches from 2012 to 2017
- Classified data according to relevance to economic performance and Turkish monetary policies

KOLT (Koç University Office of Learning and Teaching)

KOLT Tutor of INDR 343: Stochastic Models for Fall 2018 Term

Istanbul, Turkey
Sept-Dec 2018

- Conducted four hours of peer tutoring weekly
- Helped students to gain stronger grasp on Markovian Models, Queuing Theory and Inventory Model
- Held review sessions for +50 students before exams

EXTRACURRICULAR ACTIVITIES

INDUSTRIAL ENGINEERING SOCIETY

Active Member

Istanbul, Turkey
Sept 2015-May 2018

- Served on in Internal Relations Committee, Press Committee and Foyer Committee
- Contributed to organization of the largest university career event in Turkey, IndEx, which hosts +400 participants, +20 companies and +20 speakers annually

PROFESSIONAL TENNIS PLAYER

- Played professional tennis for seven years for T.E.D club. Play twice weekly currently
- Participated in regional and national tournaments in Turkey, including Nike Challenger

Languages: Turkish (native), English (fluent), Spanish (A2)

IT: Microsoft Office, MATLAB, Arena, Gams, STATA, Turkey Data Monitor, SQL, Python

Nationalities: Turkey, US Permanent Resident

Yuya Wang

EDUCATION

Columbia University New York, United States

09/2020 ~ present

• **Major:** Master of Arts in Economics

Current GPA: 3.83/4.0

Shanghai University Shanghai, China

09/2015 ~ 07/2019

• **Major:** Mathematics and Applied Mathematics

Overall GPA: 3.71/4.0

• **Honors:** The Third Honor Roll (09/2016, 09/2018), Allocation Scholarship (09/2016, 09/2017, 09/2018), School Second-class Scholarship (09/2018), Excellent Student Leader (2017, 2018)

• **Relevant coursework:** Microeconomics, Macroeconomics, Monetary Banking and Securities Investment

RESEARCH EXPERIENCE

Research on Entrepreneurial Finance and Venture Capital Industry

02/2021 ~ present

Research assistant/ Supervisor: Ye Zhang (PhD Student in Columbia)

• Reformatted the survey answers to panel data, reviewed the survey question that is planned to be used for IRR analysis and made suggestions

• Used STATA to do data cleaning and statistical analyses

Research on Global Value Chain and China's Foreign Direct Investment Upgrade

10/2018 ~ 07/2020

Second author/ Supervisor: Prof. Youde Dong

• Collected relevant papers concerning global value chains, extracted and recorded useful information to gain actionable insight for the research

• Wrote a summary about the development of GVCs and analyzed the computing method of GVCs embeddedness

Research on Evaluation Method and Application of Company Equity Value

06/2017 ~ 04/2019

Assistant/ Supervisor: Prof. Yirong Ying

Sustainability and Uncertainty of the Development of SMEs (Fourth Author, ISBN: 978-1-60595-612-1)

• Summarized the development problems of small and medium-sized science and technology enterprises in Shanghai

• Proposed relevant suggestions in government funding support mechanism, corporate capital promotion method, market space development and income tax preferential policies

A new method for the exact solution of duffing equation (Fourth Author, ISSN: 2327-4379)

• Constructed quotient trigonometric function, and used nonlinear algebraic equation set theory and method for the solution of nonlinear Duffing differential equation

• Obtained the exact solution of Duffing equation with constant variation method, and solved cubic equations and general solution of the homogeneous equation of Duffing equation with appropriate Constant and function

Dynamic Analysis of Rumor Spreading Mechanism Based on Life Cycle Model (Third Author, ISSN: 1742-7835)

• Analyzed how every acting is completed in the rumor spreading system with the approach of mathematical economics

• Established the model to analyze the influence of rumor spreading on financial market and the turbulent evolution under the time-delay effect

Research on Recommendation system of music application with Machine learning

03 ~ 06/2018

• Analyzed the principle of machine learning with matrix decomposition and added the loss function to obtain the result

• Studied supporting vector machine (SVM) when it is linear separative through calculating the decision function and compared the SVM under the circumstances of functional margin and the geometric margin

• Delivered the group presentation and wrote the final report

INTERNSHIP EXPERIENCE

Assistant of General Manager/Beijing Fellow Partners Investment Management Co., Ltd

08 ~ 09/2019

• Assisted in the administrative affairs of General Manager as well as took and sorted out the meeting minutes

• Conducted the marketing analysis under the supervision of GM to support the company's investment projects

• Collected, sorted out and analyzed the financial statements of Shenzhen EASOU Technology, summarized its pros and cons with its competing companies, and helped create the final report

SKILLS & INTERESTS

Programming: SQL, C, C++, VB

Software: STATA, SAS, MATLAB, Oracle, Microsoft software

New York, NY

Bachelor of Science in Business, Concentrations in Finance and Business Economics, Minor in Psychology

Jan 2015

Cumulative GPA: 3.878 / 4.000 | **GRE:** Verbal 170, Quantitative 169, Analytical 5.5

Honors: Dean's List 2011 – 2014, Honor Key 2013

Top of Graduating Cohort for Business Economics (NYU Stern Dean's Award for Academic Excellence 2015)

WORK EXPERIENCE

D. E. Shaw and Co. (And Spin-off to Arcesium LLC)

New York, NY

Finance and Operations Associate

D. E. Shaw Mar 2015 – Jul 2015, *Arcesium* Jul 2015 – Aug 2020

Credit Related Opportunities / Distressed Debt: 2015 – 2020

US Convertible Arbitrage: 2015 – 2020

European Asset Backed Securities: 2019 - 2020

- Initiated year-long project to perform an overhaul of firm accounting policy in relation to dirty priced Payment-In-Kind instruments, reducing yearly audit queries and correcting prior accounting inaccuracies
- Analyzed restructuring details for distressed companies; calculated reorganization economics and instructed trade details to Middle Office for bookings
- Implemented repurchase agreements and bookings for asset backed securities, calculated deferred fee schedules for credit linked notes, and instructed corporate action elections for convertible notes
- Conducted daily position, cash and P&L reconciliations and oversight on trade bookings; performed independent month-end review and analysis of accounting details for each investment strategy
- Coordinated settlements of debt positions and other credit instruments with trading desk, counterparties, and agents, and reviewed credit documentation for debt deals with legal counsel
- Acted as point of contact for yearly firm-wide audit of debt instruments; coordinated audit process with external auditors; internal accounting policy and financial reporting teams

RELEVANT COURSEWORK AND TECHNICAL SKILLS

Graduate:

- **Economics:** Core Micro/Macro Economics courses, Econometrics I and II
- **Mathematics:** Linear Algebra, Linear Regression Analysis, Time Series Analysis

Undergraduate:

- **Economics:** Game Theory, Competitive Analysis
- **Finance:** Corporate Finance, Debt Instruments, Competitive Analysis, Investment Banking
- **Mathematics:** Statistics for Business Control Regression & Forecasting Models, Calculus II

Technical Skills:

- **Coding:** SQL, Python, Stata / R / MATLAB
- **Others:** Word, Excel, PowerPoint, Minitab, Wall Street Office, Advent Geneva

ACTIVITIES

Columbia Master of Arts in Economics Student Association

New York, NY

President – Student Council

- Organized workshops and events for Economics MA student cohort
- Worked with Columbia administration to improve student experience to account for COVID remote learning

INTERESTS AND OTHER

-
- **Language:** Mandarin Chinese (Fluent)
 - **Interests:** Scuba diving, Ballroom dancing, Tennis, Golf, Sci-Fi novels, Traveling, Wine

EDUCATION

- **Columbia University | New York, U.S.**
Sep.2020 - Expected Dec.2021
Master of Arts in Economics
Core Courses: Macroeconomics, Microeconomics, Econometrics, International Economics
- **Central University of Finance and Economics | Beijing, China**
Sep.2016 - Jul.2020
Bachelor of Science in International Monetary and International Financial Direction of Finance
GPA: 92/100
Core Courses: Mathematical Analysis, Investment, Financial Markets, Commercial Bank Management, Statistics, International Finance, Financial Economics
Honors: Scholarship from School of Finance for Excellence in Academics, 2018; Honorable Mention at the American Interdisciplinary Contest in Modeling, 2018

EXPERIENCE

- **China Guangfa Bank | Beijing, China**
Jul.2019 - Aug.2019
Intern as Assistant Account Manager at the Corporate Bussiness Department, Yuetan Branch
 - Collated and organized information of perspective clients from various sources;
 - Conducted data analysis for the department via Excel;
 - Wrote reports analyzing fianancial data and potential risks of the clients;
 - Assisted the department in filing documents, checking for errors and contacting other departments whenever needed;
 - Attended training sections introducing new policies and techniques

SKILLS & INTERESTS

- **Languages:**
English (GRE 334, TOEFL 112)
Mandarin (native)

LEADERSHIP & ACTIVITIES

- **Student Union of School of Finance | CUF**
Member of the organization department, 2016 - 2017
 - Orgnized team-building activities for the school;
 - Worked closely with the Publicity Department for documentation and publication of events
- **Anime Club | CUF**
Member and Vice Director of the Doujin Department
 - Worked with members in the department to design posters and brochures for weekly and annual activities;
 - Organized routine activites for the department
- **Beijing Aquarium | China**
Volunteer, 2017
 - Provided help to the tourists and assisted the staffs with promoting information on protecting the ocean

PROJECTS

- **The Effect of China's Fiscal Policy Communication on Financial Market**
School of Finance, CUF, 2018 - 2019
 - Conducted research on central bank communication and fiscal communication;
 - Established a database for China's fiscal policy communication by events and key words using the official website of Ministry of Finance of the People's Republic of China;
 - Used EGARCH model to analyze the impact of those events on finantial market volatility
- **Social Project on China's Targeted Porverty Reduction Policies**
Nanyu Village, Hebei, China, 2016
 - Conducted interviews to investigate the implication of targeted poverty reduction policy at Nanyu village

- **Softwares:**
Profficient in Microsoft Excel, Word, Stata, LaTeX
Familiar with Matlab, Adobe PS, ID, PR
