

Program for Economic Research

PER RESEARCH SUMMER FELLOW APPLICATION FORM

M.A. Students (Department of Economics)

The Program for Economic Research (PER) invites applications for the PER Research Summer Fellow program. PER supports research activities at the highest level and aims to promote research collaboration and development of new research areas within the field. PER will award up to 3 grants of \$2,000 each for M.A. student elected by a faculty in the Department of Economics. Each M.A. student will work jointly with a faculty member.

The allocation of funds is subject to student's employment eligibility. Variables include the student's citizenship and appointment/fellowship status with the University. MA students in the Department of Economics at Columbia University are eligible to apply for the PER Research Fellow program. Participating faculty members will be encouraged to provide extra funding support for the PER Research Fellow. Award recipients are required to identify PER's sponsorship on all published papers.

Duration: June, July, August 2020

Deadline: Wednesday, April 15, 2020

This section should be completed by the student and submitted to PER at econ-per@columbia.edu.
