1 - What are the strengths and weaknesses of Dong Woo Hahm (discussion section leader, lab section leader, grader) as an instructor, and how might Dong Woo Hahm's teaching be improved?

Response Rate	15/94 (15.96%)

• I didn't really interact with Dong Woo much, but when I needed to correspond with him, he was very easily accessible via email.

• Dong Woo was great: very patient, knowledgeable, and always answered questions by email.

• na

• Dong-Woo is very helpful especially when it comes to the quantitative aspects of the course.

• -PATIENT! super clear -nicest person -very understanding -organized recitation leader

• Very well organized course. Dong Woo was always very prepared for recitation and always answered any questions we had. Sometimes we did not have enough time to go over all the recitation material.

• Brilliant instructor. Extremely useful recitations

• +: clear teaching style, sense of humor, dedication to making sure students don't walk away with unanswered questions

• Dong is an unbelievably clear explainer of economic concepts and could soon be a professor himself.

• Did of good job of managing all the tasks for the TAs but had difficulty communicating via email due to lack of response

• Punctual, efficient, clear – does a great job explaining things, very to the point.

• He is also very nice

• The discussion session held by Dong Woo were very helpful. He break down the questions in to digestible steps and explained everything clearly. He connected the material in class with the home work, and gave a great overview of the chapters we learned in class. Dong Woo is very approachable, and always try his best to the questions we have.

• Excellent TA, don't see what could be improved.

• Dong's recitations are very helpful. He is very patient and dedicated to helping students.
