Response Rate				Mean	STD	Median		
14/31 (45.16%)				4.50	1.09	5.00		

2 - What are the course's strengths? In what ways might it be improved? In answering this question, you might address the value of readings and assignments, the structure of the course, the contribution of the course to your knowledge of the subject matter and to the development of your analytical and reasoning skills, etc. We encourage you to use specific examples where possible.

Response Rate	14/31 (45.16%)
<ul style="list-style-type: none"> • readings were irrelevant • related my major • . • This was a wonderful course, lead by the marvelous Professor Morrison. I am personally very glad I took this course this year as the material was very relevant to the current state of the economy. This transcended into the course material, which kept lectures really captivating. • a • The professor records her all lectures so we can go over anytime. • The learning activities (discussions, live sessions, projects, group work) helped me achieve the course's learning goals. • The course was very organized and succinct • Everything was great . It is perfect. • Units are very clear • Professor Morrison's lectures were organized and easy to follow even when tackling high level concepts. • The instructor delivers great lectures. • The course was well organized. I liked that the course was in person but also the sessions were recorded and available online. It was really helpful. The reading material was interesting, to the point and not too long. • Wendy is a great Professor and the slides / expectations are really clear 	

3 - Please respond the following course-related statements.

The learning goals and structure were made apparent to me.

Wendy Morrison

Response Rate	14/31 (45.16%)
---------------	----------------

- Very kind and clear
- personal recitation
- .
- Professor Morisson was absolutely wonderful. Her lectures were captivating and very relevant to the current state of the economy. The course material, that she portrayed very clearly, was always available via the presentations on Courseworks, in addition to the course recordings. Going to lectures was enjoyable and genuinely interesting, she managed to generate enthusiasm for the material brilliantly. Finally, Professor was always available for any questions or comments via email.
- a
- Wendy always provides some time for us to ask questions about the problem sets and the lectures, and it was very helpful.
- The course materials (readings, videos, handouts) helped me achieve the course's learning goals
- Wendy is incredibly knowledgeable on the material and was more than available to us when we needed support. She presented the subjects clearly and her slides were detailed. She answered all our questions. She is always prepared and ready to teach with great enthusiasm. She clearly is passionate about economics.
- Everything was great . It is perfect.
- teaching is very clear
- Organized, easy to understand.
- Wendy is very organized and really explains everything thoroughly.
- Professor Morrison is not only very knowledgeable but also awesome communicator. The material was presented in concise and logical manner with clear explanations. Professor Morrison's pedagogic skills shone as she explained the inner workings of every model. She would go to the extra length so all students would get it. I have learned great deal of monetary policies, get intuitive knowledge how exchange rates work and what is going on behind the scenes. it is this intuitive knowledge that prof. Morrison was so good at pointing out. The TA's were also amazing. They complimented each other and were devoted and invested in students. Really well run and organized. So far it was my best course at Columbia. The mixture of in person and online session worked really well and recorded sessions were a blessing as one could go over and over if somethin was missed. Simply awesome.
- Very clear lectures ! Very understanding of student struggles as well

10 - Please evaluate your teaching assistant. What are the TA's strengths? In what ways might their teaching be improved? In answering this question, you might address the clarity of the lectures or presentations and their relationship to the other elements of the course, the ability of the TA to generate enthusiasm and facilitate discussion, the quality of feedback, availability, the timeliness of the return of assignments, etc.

Response Rate 0/31 (0%)
