

# Remnants: Embodied Archives of the Armenian Genocide

## Book Talk

A groundbreaking and profoundly moving exploration of the Armenian genocide, told through the traces left in the memories and on the bodies of its women survivors.

## Elyse Semerdjian

Elyse Semerdjian is Professor of Islamic World/Middle East History at Whitman College. She is the author of "Off the Straight Path": Illicit Sex, Law, and Community in Ottoman Aleppo (2008).
